“ This is such sad news to hear, my heart hurts for all those who hold her so close. Lauren had a direct impact on who I am today. I have much to thank her and her family for. Although we were much younger then, the love and friendship we shared will be cherished. I am happy to know that she is my sister in Christ and I will see her again on THAT day. Prayers and hugs for the family.

“ Lauren, I still can't believe that this happened. You were such a beautiful, caring woman & always welcomed everyone with open arms. You made my Uncle Brian the happiest I had ever seen him, you were definitely made for each other! I'll always cherish our talks & the times we shared together especially our last motorcycle ride to dinner. Your boys Ruger, Remington & Marlin are missing you terribly! You were such an animal lover, one of many things we had in common & you adored those furbabies. Our hearts are broken. You were too young & this should've never happened but we know you're in a better place now. You & Papaw Bobby keep a good watch over all of us. We love you & we'll see you again someday

“ Diane, Chuck and Leslie,
I am deeply sorry for the loss of your daughter and sister Lauren. The depth of your grief is great and overwhelming, I am sure. I am thinking about you and praying that you will feel the love and support of family and friends during this very difficult time. Diane, I appreciated so much your visit to the funeral home when Bill died. I regret to say I will be out of state the days of the visitation and service for Lauren. Take care. I will keep you in my prayers.

“ I did not know Lauren on a personal basis but she made me feel like I did. She was a regular customer at my place of employment. She always came happy! Just a very pleasant person! When I seen she wanted donations made to the Humane Society I knew that was the Lauren I knew because she had talked about her love of dogs!! I donate to the Humane Society as well & I just think she was a wonderful woman! She will be missed very much! My thoughts & prayers are with her family.

“ It is with a Very Heavy Heart that I write this. I still can't believe that it is true.

Lauren was a LIGHT in a dark world! A gift from our Dear Lord Jesus! She always had a bright attitude no matter what was going on in her life.

Lauren trusted Jesus with her whole being! I feel my life is richer just from having known her. Her smile was so comforting and encouraging.

Lauren was so supportive and encouraging to me when my husband Ron Brown died. She was an old soul in a young body. So mature for her age.

She was a Wonderful mother and a Fantastic cook! She had a gift for hospitality, she made you feel so welcome and comfortable in her home.

The world was a better place with her in it! Heaven is more glorious with Lauren there! She will be forever in my heart! And she will be missed by all who knew her!

Praise God that we know we will see her again one day and that she now has joined that Great cloud of witnesses in Heaven and she is cheering us all on! Let's not let her down and let us keep keeping on!

I'm sending love and prayers to all her family and friends. I am so very sorry you are having to go through this valley of death. May you feel the Loving arms of our Dear Lord Jesus wrapped around you during this most difficult time. May He comfort you with His Comfort and His Peace that passes all understanding. Love to you all!

Prayerfully,

Nellie Brown Cheek
