January 9, 1939 - May 11, 2016

Peggy Fleener Hatfield, 77, a resident of Martinsville, passed from this life after an extended illness at 1:18 a.m. on Wednesday, May 11, 2016 in the comfort of her own home. She was born on January 9, 1939 in Martinsville, Indiana, to the late James and Evelyn (Fletcher) Hayden.

Peggy spent most all of her life in Martinsville excluding the few years in Stinesville, Indiana, where she attended high school. She furthered her education, graduating from Ivy Tech School of Nursing in 1974 as a licensed practical nurse. Peggy worked throughout the 1970's and into the early 1980's in the obstetrics unit at Morgan Hospital in Martinsville. On May 5, 1979 she married Doug Hatfield; he preceded her in death on February 4, 2007. She and Doug took to the road as a 'truck driving team' in 1982, hauling freight and traveling the United States until she retired in 1999. Peggy found great pleasure in truck driving with Doug, traveling, camping, reading and crocheting, though her greatest joy was time spent her with family.

She was a member of the Mt. Olive Country Chapel in Martinsville.

Peggy will undoubtedly be missed and lovingly remembered by her family and friends including her four sons, Steve, Brian and Jeff Fleener all of Martinsville and David Fleener of Greenville, SC; one daughter, Debbie Flake of Plainfield, IN; one brother, John Hayden of Martinsville; eleven grandchildren and eleven great grandchildren.

She was preceded in death by her husband, Doug Hatfield; parents; first husband, Wilburn Fleener; one brother, George Hayden; three sisters, Ruth Mattingly, Shirley Tapp and Virginia Wilson; one grandson, Robert Flake.

Family and friends are invited to visit on Friday, May 13th, 2016 from 12 Noon – 2:00 p.m. at Neal & Summers Funeral and Cremation Center, Martinsville. She will be laid to rest beside her late husband, Doug, in New South Park Cemetery following a private graveside service.

“ My Aunt Peggy was a wonderful woman. Strict but very loving and compassionate. She always made me feel welcome and loved. Her nursing instincts never failed when I would get injured whilst playing with my cousins. A little medicine along with plenty of hugs and kisses. She had a great sense of humor and a beautiful smile. I am going to miss her so much. She is now home with GOD. A new body, no worries, tears, or pain. She and my mother, her sister Shirley, will be causing much discussion amongst the other angles. Love ya Peg. R.I.P.

“ I met Peggy when I was 20 years old and I just started working at the hospital. She taught me a lot about taking care of people. She told me that I was to act as if every person who came to the hospital was my own family and to treat them accordingly. And occasionally some of the patients were my relatives. My cousin Diana Whitaker went into labor early with Dale. She and the doctors worked hard trying to stop Dale from coming too early. But Dale came early anyway and was sent to Riley. Sometime later we got Dale back he was a spoiled premi. At about 3lbs he kept trying to climb out of the isolet.

Now years later he is Peggys grandson in law. We are put here on this earth to help one another and Peggy done that with me. She too over shaping me and gave me good advice . She helped me through the rough bumps that my could not because I lost my mother one year before. I am so grateful for having to met Peggy . She was a good mother and worked hard to bring them up by herself. They all turned out wonderful people. I know god has given her a place in heaven and I hope she will be able to met my mom there too. Peggy will be sadly missed but I will always have room in my heart for her memory .

I know this is a great loss to her loved ones. But god has brought her home. Hopfully we too will come home to Peggy and our lost loved one. I was so glad to have known her.

Sincerly Linda Bush
